Auto Ignition: N/D

Rate of Burning: N/D

Method Used: COC

Lower Flammable Limit (LFL): N/D

Flammability Classification: N/D

### General Fire Hazards

This product is combustible at high temperatures. Shut off the source of fuel, if possible. Do not cut, weld, solder, drill, grind, or expose containers to heat, flame, sparks, or other sources of ignition.

### Hazardous Combustion Products

Irritating and toxic gases or fumes may be released during a fire. Carbon monoxide, carbon dioxide and other hydrocarbon fragments.

### Extinguishing Media

Dry chemical, foam, carbon dioxide.

### Fire Fighting Equipment/Instructions

Firefighters should wear full-face, self contained breathing apparatus and impervious protective clothing. Firefighters should avoid inhaling any combustion products. Do not direct a solid stream of water or foam into hot, burning pools; this may result in frothing and increase fire intensity.

## Section 6 - Accidental Release Measures

### Containment Procedures

Stop the flow of material, if this is without risk. Eliminate all sources of ignition or flammables that may come into contact with a spill of this material. Absorb the spilled material with an inert absorbent (nonflammable) material. Do not allow the spilled product to enter public drainage system or open water courses.

### Clean-Up Procedures

Ventilate the contaminated area. Sweep up or gather material and place in appropriate container for disposal. Wash spill area thoroughly. Wear appropriate protective equipment during cleanup. Follow all Local, State, Federal and Provincial regulations for disposal.

### Evacuation Procedures

Evacuate the area promptly and keep upwind of the spilled material. Isolate the spill area to prevent people from entering.

### Special Procedures

Have emergency equipment readily available.

## Section 7 - Handling and Storage

### Handling Procedures

When using this material, do not eat, drink or smoke. Avoid prolonged or repeated skin contact with this material. Wash thoroughly after handling.

### Storage Procedures
